FIG. 95.—Birthplace of Ex-President Monroe.

The Foundation's purpose is for Education and Preservation honoring the life and legacy of James Monroe, our fifth President and founding father. He was the only U.S. President to have served in active military duty in the Revolutionary War other than George Washington, and helped save this nation during the War of 1812 when he served as both Secretary of State and Secretary of War. Visit the Museum with its exhibits honoring President James Monroe, and see the reconstructed Birthplace house.

Directions: The Birthplace is located on Route 205 in Westmoreland County, 1 mile east of Colonial Beach at 4460 James Monroe Highway at the James Monroe Birthplace Historical Marker.
